This is the **Community Portal** for the NH Connections Information System (NHCIS). Administrators, approved by the Child Care Licensing Unit, have access to their staffs’ BRC eligibility status and expiration.

We call this the **Community Portal** or the **New Hampshire Connections Portal**.

Connecting to your Child Care Program

Below you will see two squares. One says Professional Registry and the other says Training. We call these **Tiles**. Everyone can see these tiles upon registering.

Now to connect to the child care program you work for or plan to work for, if that applies to you.

Click on the **GET STARTED** box within the blue square. Once you do this you will search for the program you are planning to work at (or are already working at). Use the exact name as it appears on the program's license, which can be found by searching for the child care program using the Child Care Search on the NH Connections Website:

https://nhpublichealth.force.com/nhccis/NH_ChildCareSearch If you know the license # of the program, you can search for that program by entering the last four digits of the license # into the Program Name field.

Here is what this looks like as you enter information. There are roles within the system (such as Center Director) that require the approval of the Child Care Licensing Unit and allow you elevated access within the system. You should be in touch with your licensing coordinator about being approved per He-C 4002. If you need assistance, please call us at 603-271-9025.

When searching for your program by name, verify the license # as seen below with an organization that has multiple programs. Or search by license # only as seen in the second screen shot.

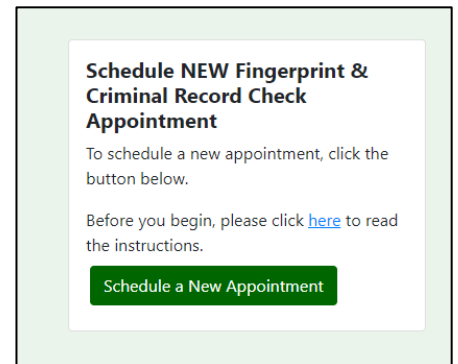

Schedule a fingerprint appointment

You must schedule and complete your fingerprinting with the NH State Police. The link to that portal is:

<https://services.dos.nh.gov/chri/cpo/>

There are instructions linked on this page that you should reference before setting up your appointment:

The screen shot below shows what Type of Agency and Agency you should choose in order for your results to be released to CCLU for review and eligibility determination. Any other option will not allow CCLU access to review the results and will require that you get your prints redone at an additional cost.

Agency Selection

→ Please select the employment or licensing Agency you are applying to. Background check results will be delivered to the Agency you select. If you are unsure which Agency to select, or the Agency does not appear in the selection please contact the Agency you are applying to. Please note: The Department of Safety is not responsible for results delivered in error due to the applicant selecting the incorrect Agency.

→ To select an agency first select the Agency Type from the drop down list. Selecting the agency type will narrow the number of agencies that appear in the Select Agency drop down. Once the agency type is selected then find and select the specific agency you wish your results to be delivered to.

→ Note: For 'School Transportation Agency' applicants only -you may select more than one agency from the 'Agency' drop down. Each additional agency selected will incur an additional \$5 charge.

New Background Record Check

Please read all instructions and make sure you don't miss any important information.

Introduction

Getting started with your Background Record Check

Welcome to the NH Connections Background Record Check Portal. If you have been hired by or are currently working in a licensed child care, or residential program; or are a household member in either, you are required to complete a background record check (BRC) before you can begin working in the program. This includes anyone who resides in a program that may not work in the program, but could have unsupervised access to children in care. To initiate a new BRC you will complete a new BRC request. Once complete, an email will be sent to you at the email address you have provided, detailing next steps, including how to schedule a fingerprint appointment, and a checklist of what must be submitted to ensure that your packet is complete. Throughout the process, you will receive email updates, but you can also log in to the portal to follow the progress of your BRC request.

The NH Child Care Licensing rules currently mandate that ALL BRC materials be submitted together in one packet, therefore, please ensure to follow this process, as a BRC packet that is missing any of the required documentation will be returned to the program in which you are affiliated with, for completion. Upon receipt of a complete packet, CCLU staff will process it.

Keep copies of all documentation submitted for your records.

If you have any questions regarding the BRC process, you may call the Child Care Licensing Unit at (603) 271-9025 to speak with our office staff.

Re: Background Record Check submission # 31497

Dear Andrew Smeal,

Our records indicate that you have initiated a background record check (BRC) via the NH Connections Information System (NHCS). Please read the following carefully for next steps.

Financial Assessment scheduled and paid for through the Department of Labor, Child Applicant Portal

Nothing further is required. UNLESS your application indicated you currently live or have lived in a state other than NH in the previous 7 years. If you have, you will receive another email with instructions on additional forms to be submitted. Please complete and submit the information requested in that email, as your submission will not be complete and your background record check will not be processed until the out of state information is received.

Financial Assessment at a local police department

Log in to NHCS, and click on the Background Record Check tile. Under 'My Applications' on the left side of the screen, click on 'My Documents.' Click on the application number in the 'My Documents' section of NHCS, then the icon next to "CRBZ Page" to download and print it.

Review the form, ensuring that Section I is complete, then sign and date where required. Section II is not required; therefore, it can be left blank.

You will receive an "Applicant Licensing LiveScan Fingerprinting" form from the local police department once your fingerprints have been taken. Ask for one if it is not provided, it is required by the Department of Safety as they will not complete the criminal record check without it.

Mail the "CRBZ Page" and "Applicant Licensing LiveScan Fingerprinting" forms with fee, as noted on the "CRBZ Page," together in one packet, to: Child Care Licensing Unit, 129 Pleasant Street, Concord, NH 03301.

If your application indicated you currently live or have lived in a state other than NH in the previous 7 years, you will receive another email with instructions on additional forms to be submitted. Please mail those forms WITH the information above.

What Happens Next:

- If no disqualifying convictions are identified, you will be deemed eligible to work and your BRC status will be updated and available to you and the program in the NH Connections Information System.
- If the BRC identifies immediate disqualifying convictions, you will receive a letter informing you that you have been deemed ineligible to work, as well as detailed information relevant to that determination. The program will not receive information regarding any disqualifying convictions, but will be notified that you are no longer eligible to work in their child care program.
- If the BRC identifies convictions that need further investigation, you will receive a letter with instructions on what to submit to CCLU and a due date for the information. Failure to respond by the due date will result in a determination of ineligible to work.

Sincerely,
Department of Health and Human Services
Child Care Licensing Unit
129 Pleasant Street, Concord, NH 03301

Email: CCLU@hhs.nh.gov

Version 01 - 11/15/2024

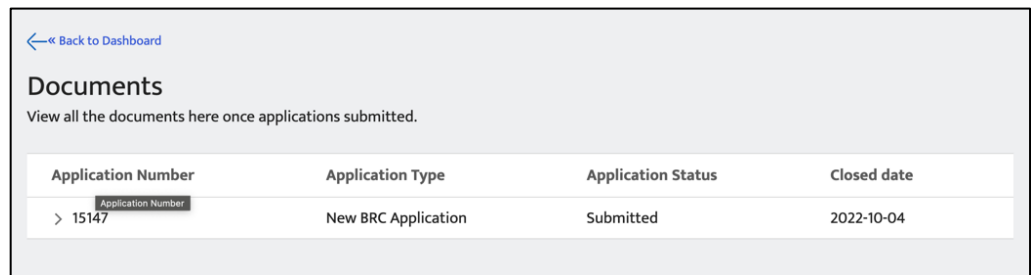

Downloading Forms

You will find your documents under My Documents along the left-hand column of your BRC page. The screen shots below show how you can access this section and download your documents for printing. **Please refer to the email you will receive once your application is submitted, to determine which documents are required to be printed and mailed to CCLU. Unless you have been fingerprinted at a local PD, you will not need to submit any of these documents.**

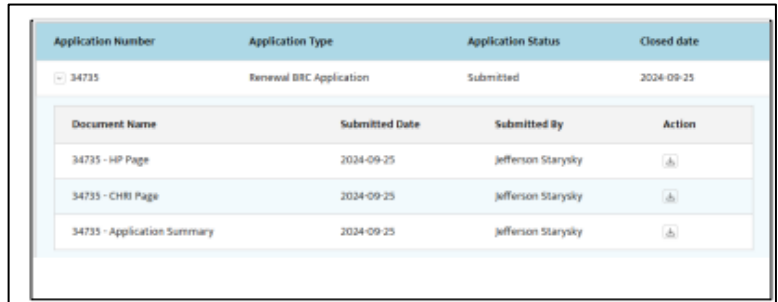

Step 1, click on My Documents.

Step 2, click on the Application Number to open the application.

Step 3, click on the download symbol to the far right of the document.

If you have lived in another state during the last 5 years you will also receive an email with instructions on where to find the out of state forms and instructions. This must be submitted with your completed paperwork and any payments required.

Your application status will change to “Under Review” when CCLU receives your submission and enters updates. This process may take from a week to several weeks depending on results received from criminal history records, or abuse and neglect registries. Should there be results from any of these searches you will receive a letter from us with a deadline for providing additional information. Please be sure to respond by the deadline. Failure to do so will result in being deemed ineligible.

If parts of your application are incomplete, missing out-of- state forms/fees, or if you're eligible to work under supervision, you will receive an email. For incomplete submissions, please work with the program to submit any outstanding requirements by the deadline given, as failure to do so will result in your application being withdrawn, and a status of ineligible.

Re: Incomplete Out-of-State Central Registry Check requirement for submission # 27940

Dear Elsa Oldenburg

The Child Care Licensing Unit has received your BRC application, however, we have not received the information required for out-of-state child abuse and neglect registry checks. Therefore, the application is incomplete.

Click on the link below to be directed to our background check website, where you will find detailed instructions and fee requirements, if applicable, for the abuse and neglect registry checks.

<https://www.dhhs.nh.gov/out-state-abuse-and-neglect-checks>

Complete the process according to the instructions provided on our website, and submit the information to our office no later than 12/6/2023. Any paper forms and check payments that are required are sent to our office, not the other state.

If the information and applicable fees are not received, we will be unable to complete your background record check, and your submission will be withdrawn from our system, impacting your eligibility to work in a child care program.

If you have any questions, please email CCLUnit@dhhs.nh.gov or call 603-271-9025.

Sincerely,
Department of Health and Human Services

129 Pleasant Street, Concord, NH 03301

Email: CCLUnit@dhhs.nh.gov

<https://www.dhhs.nh.gov/programs-services/childcare-parenting-childbirth/child-care-licensing>

Your background record check (BRC) is now complete, and our office has determined that you are eligible to work in child care at this time. The status of your BRC is available to you and the program in the NH Connections Information System (NHCIS). This ensures that your employer is aware of your eligibility status.

They cannot return to the program until a determination on their eligibility has been made.

Staff and household members 10-17:

- If you have staff or household members between the ages of 10 and 17 you only need to submit a Household and Personnel form. The Household and Personnel form for ages 10-17 can be found [here](#).
- If a 10–17-year-old has lived outside of NH during any part of the last 5 years, please also submit the appropriate Out of State CAN form. You can find that [here](#)

Your Staff Roster and BRC approval Process

You will notice in the steps above that your staff will receive an email with instructions once they submit their BRC application through NHCIS. It is important that they print any forms required, and the forms and payments are sent to CCLU. We recommend these are mailed from the program so you can ensure all steps were completed.

What you will see in your NHCIS portal

If a staff is listed as eligible they have a current BRC and can work. Ineligible means they do not have a current BRC and must not be present at the program until they are deemed eligible. Staff who are new and awaiting BRC results are marked as Pending and are not eligible to work until deemed eligible. Below is a table detailing what the application status and eligibility status that appear next to each individual’s name on your Staff Roster means.

Application Status	What it means:
	If the Application Status is blank then the individual has not started a BRC application.
In Progress	The BRC application has been initiated by the individual, but it has NOT been submitted yet.
Submitted	The BRC application has been completed and submitted by the individual.
Under Review	The BRC application is being processed by CCLU staff.
Approved	The BRC application has been processed and the individual is Eligible to work.
Withdrawn	The BRC application has been withdrawn, either by the individual; or by CCLU staff when a response to a request for incomplete/missing information has not been received by the deadline provided.
Incomplete	The BRC application is in process, but CCLU has not received all required information.
Ineligible	The BRC application has been processed and a determination has been made that the individual is not eligible and cannot be present in the program.
Working Under Supervision	CCLU has received and reviewed the NH State and FBI results, but the results for the out-of-state submission(s) have not yet been received/reviewed. A full determination will be made once the results from all background checks are received or 45 days from the date that a complete submission was received, whichever comes first.
Incomplete Out-of-state	The BRC application is in process, but CCLU has not received the required out-of-state Abuse and Neglect Check and/or Criminal History Check release form(s) and fee(s), if applicable, or copies of confirmation pages for online portal submissions.
Eligibility Status	What it means:
Eligible	The staff has a current BRC and can be in the program.
Ineligible	The staff does NOT have a current BRC and cannot be present in the program until they are deemed eligible.
Pending	The individual is not eligible to work because CCLU is awaiting BRC results UNLESS the Application Status on the Staff Roster indicates “Working Under Supervision”, which indicates that CCLU has received and reviewed the NH State and FBI results, but the results for the out-of-state submission(s) have not yet been received/reviewed.

Here are some examples of what these status' will look like on your Staff Roster:

Eligibility Transfer Requests

Once completed there is no need to file anything with CCLU. The only time you need to send anything to CCLU is when someone is required to get a complete BRC done.

Staff should log into NHCIS to initiate their BRC eligibility transfer request to a new program. Staff may remain connected to more than one program at a time.

Once logged into NHCIS navigate to the Background Record Check tile:

The screenshot shows the NH CONNECTIONS dashboard. The top navigation bar includes 'Home' and 'Support'. The main content area features four tiles: Professional Registry (status: Incomplete, 66.67%), Credentialing (status: Add new credential), Training (status: Take new training), and Background Record Checks (status: Eligible). The Background Record Checks tile is circled in blue.

Choose Eligibility Transfer request from the menu on the left of the page:

The screenshot shows the NH CONNECTIONS Background Record Check Portal. The left-hand navigation menu includes: APPLICATIONS (My Applications, My Documents), TRAINING (Training Calendar, My Training), PROFESSIONAL TOOLS (Eligibility Transfer Requests, HELP), and Technical Helpdesk. The 'Eligibility Transfer Requests' item is circled in blue. The main dashboard area shows 'Open Applications' (0) and 'Approved Applications' (0), and a 'My Applications' section with a 'NEW APPLICATION +' button and a message: 'Sorry! No items to display in this list'.

Any pending eligibilities will show up here or the option to create a new request:

Updating your program profile (directors)

If you require assistance with updating your Child Care Profile please contact the Outreach Specialist at Child Care Aware of New Hampshire at (603) 578-1386, ext. 2531

The program profile page is used to share information on the public facing child care search. Families searching for child care use this site to find child care that meets their family's needs. The more information posted here more informed choices can be made by families.

It is important to review this information often. The program e-mail address is where all correspondence are sent for renewal of license, visit results, and more. In addition your child care profile information is used when Child Care Aware is working with families seeking child care. The more accurate and up to date this information is the more likely the best matches will be made for families.

Navigate to the Child Care Profile Tile:

Once within your program profile make sure you update your enrollment status and program status. This area requires you to indicate if your program is Profit or Non-Profit

Troubleshooting

Mobile Use

NHCIS is designed to work on mobile devices. If using an iPhone or iPad remember that Safari is the default browser and doesn't not work well with this application. Download the Google Chrome application in the App Store for mobile use on an Apple device.

Browser

It is best to use the Google Chrome browser to access NHCIS.

If you don't know what browser you are using check using <https://www.whatsmybrowser.org>

NHCIS was designed to work best with Chrome on a laptop or desktop PC or Mac. We highly recommend that you do not use a mobile phone, or MS Edge, Safari, Firefox, or any other browser other than Google Chrome on a laptop or desktop PC or Mac.

Cache/Incognito

We understand that it is often necessary for staff members to work closely with you - and use your computer or a shared computer - to register for and log into their NHCIS accounts. In such cases, it is a good idea to use the [Incognito Mode](#) of your Google Chrome browser before having each different user log into their account.

Because all websites store information on your computer when accessed, the "cached" information created by multiple users can sometimes result in conflicts that cause unusual errors and prevent you from completing your task.

This is not a situation unique to NHCIS. If you were to have several employees or household members log into their AT&T account on the same computer, for example, you would likely encounter similar cache and cookie issues. You should also clear cache and cookies from time to time, if you use your computer to log into multiple sites related to NH Child Care.

Steps for clearing your cache:

Login issues can sometimes be caused by information that was stored by your browser during previous visits to NHCIS. If you are already using Chrome, clear the cache and cookies to avoid potential login conflicts, using the following steps:

- Close the Chrome browser, if it is still open.
- Reopen Chrome.
- At the top right, click on the 3 vertical dots in the top right corner.
- Click More tools and then select Clear browsing data.
- At the top, select the time range, "All time."
- Check the boxes next to "Cookies and other site data" AND "Cached images and files."
- Click Clear data.
- Close and reopen Chrome.
- Log in to NHCIS.

Help Desk/Support Ticket

Do know that the Help Desk is here to assist you when needed. We will work closely with you and new employees to set up their account and complete tasks as necessary. Although our team does not provide phone support, we do monitor incoming support requests continuously throughout the day, and we will respond to users' requests for help as soon as possible.

Please let us know if you have any questions, or you encounter any further difficulties.

Each organizations website includes a wealth of information to assist you and direct you to the right person to help answer your questions.

Taking a Screen Shot

You may be asked to provide a screen shot so we can better assist you. Screen shots taken from the computer screen are much clearer than a photo of your screen using your phone. This guide is created using screen shots.

Here are some steps to taking screen shots:

Using a Mac

hold down  and  and press  = Use your mouse to draw a **rectangle** in order to specify what to capture – or press the **spacebar** and then click on something (e.g. a **window**) to capture it. Your Mac then saves it as a **file** on the desktop. The file name will look like "Screen shot 2023-10-05 at 08.45.00 AM.png".

Using a PC (or non-Mac)

hold down  and  and press  = Use your mouse to draw a **rectangle** in order to specify what to capture. Windows then copies it to the **clipboard**.

I guess it's in the clipboard now. How can I paste it into a document or something?

hold down  and press  = Windows pastes the screenshot (that is in the **clipboard**) into a document or image you are currently editing.
